

## TOMATO-GARLIC JELLY

### USED BRESC PRODUCTS

Garlic supérieur purée  
450g

### INGREDIENTS

900  
g

- 9 dl tomato juice
- 10 g Bresc Garlic puree superior
- Tabasco to taste
- salt and pepper to taste
- 12 leaves gelatin
- 10 g agar

### PREPARATION METHOD

Soak the leaves of gelatin in cold water. Mix the tomato juice with the garlic, Tabasco, salt and pepper and mix the agar into the mixture with a stick mixer. Bring slowly to the boil. Leave to boil briefly, then turn off the heat. Squeeze out the gelatin and dissolve it in the hot mixture. Strain the mixture and pour into the required mould. Allow to firm in the fridge and cut into the required shape.
