PREPARATION METHOD

Marinate the slices of pork in the rub. Vacuum-pack them and cook them sous-vide at 65 degrees for 30 minutes until they are done. Grill the slices of pork well in a grill pan or barbecue. Brush the meat every 10 minutes with a little of the marinade. For the marinade, mix the fish sauce, soy sauce, black chilli and garlic puree. For the dressing, mix all the ingredients together well. Roast the peanuts in a dry frying pan. Grate the carrot, slice the spring onions into thin rings and coarsely chop the herbs. Loosen the leaves of the baby romaine lettuce. Assemble the salad and garnish with the herbs, peanuts and chilli.
